PRESIDENT'S CORNER

Hello Dear Neighbors:

As we strive to keep our beautiful community looking better each day, we deal with some issues which we are working on. One of them is our irrigation system which has been vandalized several times. We finally found an excellent company that has fixed the system. We installed a new pump and pipes. Now we are able to work on beautifying our landscaping. Be reassured that we are always working for you. Until next time!

ARCHITECTURALS

We encourage our neighbors to keep up their houses and congratulate those who do. The Association appreciates it very much. It helps everyone in keeping the value of our houses. Please keep drainage areas free of leaves and debris to avoid flash floods during heavy rain periods.

We have found out that some neighbors do not have Association documents. Let us know if you do not. In order to help you with Architectural issues we are attaching a separate list with the most important things you need to take care of periodically. We hope this will facilitate taking care of your property more efficiently.

Somebody vandalized one of our palm trees screwing a speed sign onto it. This may kill the tree. It was an illegal action which we are investigating. We ask all of you to keep an eye on abnormal actions such as that which may cost all of us some money.

HOUSE OF THE MONTH

Congratulations to the following families on being selected as **HOUSE OF THE MONTH:**
McCAULEY FAMILY of 167 Granada Av. for **AUGUST; NAPLES**

FAMILY of 26 Gables Blvd. for **SEPTEMBER;**
GUERRA FAMILY of 77 Gables Blvd. for **OCTOBER.** Your houses look impeccable. Keep it up. We really appreciate your efforts.

GENERAL ISSUES

Last year we replaced our street signs with a very beautiful model similar to the ones used by the City of Weston. Early next year the mailboxes will be replaced and we are looking for a model that matches closely our street signs.

The parking issues are resolved for the most part and we are constantly checking the premises to solve any issues quickly.

Our next Board of Directors meeting will be on Monday December 17th at 8:00pm at the Town Center Club. Please join us!!
